

2. On November 2, 2018, Sunflower filed a new Application for Approval of WPA Rate in WHM-19 (“WHM-19 Application”) in a new docket, Docket No. 19-SEPE-185-CON (“19-185 Docket”).⁴ The application requests the Commission approve a WPA Rate modification similar to those in the past.

3. On November 21, 2018, Sunflower, KEPCo and Commission Staff submitted a Joint Motion requesting the Commission: (1) re-open the 06-1203 Docket, (2) transfer all pleadings and documents of record in the 19-185 Docket to the 06-1203 Docket and (3) close the 19-185 Docket.⁵ As the Joint Movants detail, this consolidation of dockets is necessary for ease of administration and to remain consistent with historical filings regarding the WPA as it is updated annually.⁶ By doing so, the Joint Movants recognize the previously issued Orders in the 19-SEPE-185-CON Docket shall remain intact and enforceable in the 06-1203 Docket.⁷

II. FINDINGS AND CONCLUSIONS

4. The Joint Movants request the transfer of the formal record contained within the 19-185 Docket to the 06-1203 Docket. The Commission finds the reasoning and rationale detailed by the Joint Movants supports this transfer. Accordingly, the Commission finds transferring the formal record of the 19-185 Docket to the 06-1203 Docket will promote administrative efficiency and is in the best interest of the Commission, Commission Staff and parties to the proceeding.

5. The Commission finds and concludes the 06-1203 Docket shall be reopened.
