RE: Docket No. 06-SWBT-1141-IAT

In the Matter of the Application of Southwestern Bell Telephone Company d/b/a AT&T Kansas for Approval of a Modification to the Interconnection Agreement Under the Telecommunications Act of 1996 with Avid Communications, LLC.

BACKGROUND:

This application was filed on September 19, 2008 to modify the Interconnection Agreement to extend the expiration date to December 12, 2011.

ANALYSIS:

This filing makes no substantive changes other than to extend the expiration date to December 12, 2011.

Southwestern Bell Telephone Company contends that implementation of this agreement complies fully with Section 252(e) of the Federal Act, and believes approval is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier.

Having reviewed the Agreement between Southwestern Bell Telephone Company and Avid Communications, LLC., Staff finds no evidence to conclude this agreement discriminates against any telecommunications carrier, nor is inconsistent with public interest, convenience, or necessity. Staff believes the public will generally benefit from KCC approval of this application.

Avid Communications, LLCc. is registered with the Kansas Secretary of State, and is active and in good standing with that office. Avid Communications, LLC. is current with regard to filing annual

reports and KUSF payments.

Staff has no objection to this filing.

RECOMMENDATION:

Staff recommends the Commission approve this application to be effective December 18, 2008. However, as this filing has exceeded the 90 day notification limit, it became effective by operation of law on December 18, 2008, pursuant to K.S.A. 66-117(c).
