STATUS UPDATE TO COMPLIANCE AGREEMENT

On March 21, 2019, the Commission issued an Order Approving Compliance Agreement in this docket. The Agreement provides that the Agreement may be amended to include additional wells with the written consent of the District Supervisor.¹

The District 3 Supervisor recommends amending this Agreement to include the G E Johnson #W-8, API #15-001-20872 (Subject Well). Operator has expressed a desire to plug the Subject Well and is not opposed to the addition of the well to the Agreement. Furthermore, Staff recommends the final compliance deadline be extended to December 30, 2021.
