Based Rates.)

SUSPENSION ORDER: APRIL 8, 2026

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (“Commission”) for consideration. Having reviewed and being advised in the matter, the Commission makes the following findings and conclusions:

1. On August 11, 2025, Sunflower Electric Power Corporation (“Sunflower”) and Prairie Land Electric Cooperative, Inc. (“Prairie Land”) jointly filed an application requesting for approval of the continuation of Prairie Land’s respective individual 34.5kV Formula-Based Rates (“34.5kV FBR(s)”), as originally approved in Docket No. 16-MKEE-023-TAR and approved for renewal in Docket No. 21-SEPE-049-TAR, without any substantive changes.¹

2. K.S.A. 66-117(c) states in part:

The commission shall not delay the effective date of the proposed change in rate, joint rate, toll, charge or classification or schedule of charges, or in any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier, more than 240 days beyond the date the public utility or common carrier filed its application requesting the proposed change. If the commission does not suspend the proposed schedule within 30 days of the date the same is filed by the public utility or common carrier, such proposed schedule shall be deemed approved by the commission and shall take effect on the proposed effective date.

¹ Application for Sunflower Electric Power Corporation and Prairie Land Electric Cooperative, Inc. (Aug. 11, 2025) (“Application”).

3. A full investigation of the application is found to be necessary and proper. Absent suspension, the Commission and its Staff are without sufficient time to fully review, consider, and analyze whether approval of the Application is just and reasonable.

4. The Commission finds and concludes that suspension of the effectiveness of the Application and deferral of its effective date are required to allow sufficient time for full investigation of this matter. The effectiveness of the Application is hereby suspended for a period of 240 days from the date it was filed, August 11, 2025, until Wednesday, April 8, 2026, pursuant to K.S.A. 66-117(c). A Commission decision may be issued before such date.

THEREFORE, THE COMMISSION ORDERS:

A. Pursuant to K.S.A. 66-117(c), the Application in the above-captioned docket, and the effective date therein, shall be suspended 240 days, until Wednesday, April 8, 2026, subject to further action by the Commission.

B. Electronic service shall be utilized for serving pleading/motions and orders.

C. Any party may file and serve a petition for reconsideration pursuant to the requirements and time limits established by K.S.A. 77-529(a)(1).²

BY THE COMMISSION IT IS SO ORDERED.
