Dear Mr. Farb,

I have received your request to participate in the hearings on both the Hadl (E-32,566) and the Thrasher (E-31,965) and will get you included in both. Unfortunately I do not find your original protest letter in either file and will not be able to get it included. This does explain why you did not receive our response letter like your wife. If you have a copy of the original letter please email or send it to me and I will get it included online. However, as I stated, you will be included on the dockets for the hearing.

In the future you will be contacted about a Prehearing Teleconference on these two dockets. This will also be listed on our website by going to Upcoming Hearings. The Prehearing Teleconference will be a conference call between protestants, applicant and staff to set up dates for the Pre-Filed Testimony and the hearing. I have an address of

Joe Farb
1958 E 850th Road
Lecompton, KS 66050

If this is not correct please let me know.

Sincerely,

Rene Stucky

Re. Dockets E-32, 566 and E-31 965

Hi Mr. Stucky

This email is to follow up our phone conversation of earlier today, in which we discussed that I had sent a letter of protest in early November regarding both the above mentioned dockets, but have gotten neither a confirmation of my letter, nor seen my name listed on either of these dockets.

Please email me back letting me know you have received this email, and please enter my original letter into the files for each docket. Also I would like to request a hearing on both of these dockets and the opportunity to submit testimony.

Sincerely,

Joe Farb,
Lecompton, Ks.
