MOTION TO CLOSE DOCKET

For the following reasons, Commission Staff moves for the Order to Show Cause in this docket to be withdrawn, and for the docket to be closed.

1. On October 21, 2014, the Commission issued an Order to Show Cause against the captioned parties, based upon Staff's allegations that the parties appeared to be responsible for abandoned wells on the Heck Lease. On March 27, 2015, Red Cloud filed a Transfer of Operator ("T-1") Form accepting responsibility for the wells at issue. Accordingly, there is no longer a need for a hearing to determine responsibility for the wells under K.S.A. 55-179(b).

2. Staff has filed a motion for summary judgment and a motion for a default order in this docket, both of which are still pending, and this matter is currently scheduled for an April 16, 2015, hearing. If this motion to close the docket is approved, the motion for summary judgement and motion for a default order become moot, and the hearing can be cancelled.

Respectfully submitted,
