Docket No. 12-KPPE-630-MIS

**JOINT MOTION FOR AN ORDER SETTING PROCEDURAL SCHEDULE AND
DISCOVERY ORDER**

COME NOW, the Staff of the State Corporation Commission of the State of Kansas (Staff) and Kansas Power Pool (KPP) (collectively, Joint Movants) and move the Kansas Corporation Commission (Commission) for an Order Setting Procedural Schedule and a Discovery Order. In support of their motion, Joint Movants state as follows:

1. On February 17, 2012, KPP filed its Application requesting acceptance of its formula template for determining its Annual Transmission Revenue Requirement (ATRR) to be included in the rates charged by the Southwest Power Pool, Inc. (SPP) for transmission service in the transmission pricing zone of Westar Energy (Westar).

2. The Joint Movants signed a Letter Agreement, included as Attachment 2 to the Application, which states that the Joint Movants agree that the proceedings initiated by the Application will be completed within 150 days from the date of filing, subject to the Commission's approval of a procedural schedule. The Joint Movants also agreed to meet immediately after KPP's filing to discuss a procedural schedule.

3. On February 21, 2012, the Joint Movants met via conference call and agreed upon the following procedural schedule:

Date	Time	Action
Friday, February 17, 2012	3:00 p.m.	Application Filed
Thursday, May 3, 2012	3:00 p.m.	Staff Report & Recommendation
Monday, May 14, 2012	3:00 p.m.	KPP & Intervener Responses
Thursday, May 24, 2012	3:00 p.m.	Cross-Answering Responses
Thursday, May 31, 2012	1:30 p.m.	Settlement Agreement
Thursday, May 31, 2012	1:30 p.m.	Prehearing Conference
Monday, June 4, 2012	9:00 a.m.	Evidentiary Hearing
Thursday, June 14, 2012	3:00 p.m.	Simultaneous Post-Hearing Briefs
Monday, July 16, 2012		Order Due

4. The above procedural schedule provides for a report and recommendation by Staff, rather than prefiled testimony. With the limited issues to be resolved in this docket (as opposed to a typical base rate case), the Joint Movants agree that a report and recommendation by Staff, with an opportunity to respond for KPP and interveners, will be more efficient than prefiled testimony.

5. The Joint Movants further request a Discovery Order to formalize discovery procedures and clarify the obligations of the parties, which will enable a full and efficient investigation of the issues in this docket.

WHEREFORE, Joint Movants respectfully request that the Commission grant their Motion for an Order Setting Procedural Schedule and a Discovery Order.

Respectfully submitted,
