Telecommunication Systems, Inc.)

ORDER NUNC PRO TUNC

COMES NOW for consideration and determination before the State Corporation Commission of the State of Kansas (Commission) pursuant to the Commissions's own Order in the above-captioned matter. Having examined its files and records, and being fully advised in the premises, the Commission finds and concludes as follows:

1. On February 16, 1999, the Commission issued an Order in the above-captioned docket in which paragraph 4 erroneously referenced tariffs filed by Panhandle Telecommunications Systems, Inc. (Panhandle). Panhandle is a commercial mobile radio services provider and is not required to file tariffs with the Commission.

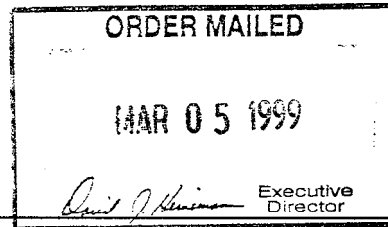

2. Paragraph 4 of the Order in the above-captioned matter approving the Interconnection Agreement between Southwestern Bell Telephone Company and Panhandle is changed to read as follows:

4. To the extent Panhandle's presence would increase the options for local telephone services, Staff believes the public will generally benefit from Commission approval of this application.

BY THE COMMISSION IT IS SO ORDERED.
