PENALTY ORDER

The above captioned matter comes before the State Corporation Commission of the State of Kansas. Having examined the files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

I. JURISDICTION

1. K.S.A. 74-623 provides that the Commission has the exclusive jurisdiction and authority to regulate oil and gas activities. K.S.A. 55-152 provides that the Commission has jurisdiction to regulate the construction, operation, and abandonment of any well and the protection of the usable water of this state from any actual or potential pollution from any well. The Commission has licensing authority pursuant to K.S.A. 55-155.

2. K.S.A. 55-162 and K.S.A. 55-164 provide the Commission with authority to issue a Penalty Order regarding a violation of Chapter 55 of the Kansas Statutes Annotated, or of any rule, regulation, or order of the Commission. A Penalty Order may include a monetary penalty of up to \$10,000, and each day of a continuing violation constitutes a separate violation.

3. K.A.R. 82-3-602(a) provides that unless otherwise specified in writing by the Commission, each operator shall close drilling pits within 365 calendar days after the spud date of a well.

4. K.A.R. 82-3-602(b) provides that before backfilling any pit, operator shall dispose of the pit contents according to K.A.R. 82-3-607 and shall submit the required form pursuant to K.A.R. 82-3-608.

5. K.A.R. 82-3-608(a) provides that each operator shall file a form prescribed by the commission within 30 days after the operator transfers refuse from any pit or diked area or refuse relating to any remediation or cleanup activity.

6. K.A.R. 82-3-608(b) provides that the failure to timely submit the form specified in subsection (a) shall be punishable by the following penalties: \$250 for the first violation, \$500 for the second violation, and \$1,000 and an operator license review for the third violation.

II. FINDINGS OF FACT

7. Operator conducts oil and gas activities in Kansas under license number 35013.

8. Operator is responsible for the care and control of the Carter #V23 ("the subject well"), API #15-121-30229-00-00, located in Section 29, Township 17 South, Range 23 East, Miami County, Kansas.

9. Commission records indicate that Operator filed an Application for Surface Pit ("CDP-1") along with the Notice of Intent to Drill ("C-1") for the subject well. As part of the CDP-1 approval process, either Operator stated refuse would be transferred or Commission Staff required refuse to be transferred, prior to the closure of a drilling pit.

10. Commission regulations require drilling pits to be closed within 365 calendar days of the spud date of the associated well. Commission regulations further require an Exploration and Production Waste Transfer ("CDP-5") form to be filed within 30 days after an operator transfers refuse from any pit.

11. Commission records indicate the subject well was spud in excess of 395 (365 plus 30) days ago. Commission records further indicate a CDP-5 form has not been filed for the subject well.

12. Commission Staff sent a Notice of Violation letter to Operator, requiring Operator to file a CDP-5 to comply with K.A.R. 82-3-608 by a specific deadline. Commission Staff did not receive a complete, accurate CDP-5 by the deadline in the letter.

13. Commission Staff collected evidence and submitted it to the Legal Department with a recommendation that the Commission issue this Order. The recommendation sheet submitted by Commission Staff is attached to this Order as Exhibit A, incorporated into this Order, and shall serve as the concise and explicit statement of facts required by K.S.A. 77-526.

III. CONCLUSIONS OF LAW

14. The Commission finds it has jurisdiction over Operator and this matter under K.S.A. 55-152 and K.S.A. 74-623.

15. The above findings of fact are sufficient evidence to support the conclusion that Operator committed one violation of K.A.R. 82-3-608 because Operator has not submitted a complete, accurate CDP-5 for the subject well in a timely manner.

THEREFORE, THE COMMISSION ORDERS:

- A. Operator shall pay a \$250 penalty.
- B. Operator shall submit a complete, accurate CDP-5 for the subject well.
- C. If no party requests a hearing, and Operator is not in compliance with this Order within 30 days, then Operator's license shall be suspended without further notice. The notice and opportunity for a hearing on this order shall constitute the notice required by K.S.A. 77-512 regarding license suspension. The Commission may impose further sanctions, including

additional monetary penalties and any other remedies available to the Commission by law, without further notice.

D. Checks and money orders shall be payable to the Kansas Corporation Commission. For credit card payments, include the type of card (Visa, MasterCard, Discover, or American Express), account number, and expiration date. Payments shall be mailed to the Kansas Corporation Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202. The payment must include a reference to the docket number of this proceeding.

E. Any party may request a hearing on the above issues by submitting a written request, pursuant to K.S.A. 55-164, K.S.A. 77-537, and K.S.A. 77-542, setting forth the specific grounds upon which relief is sought, to the Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202, within 30 days from the date of service of this Order. Hearings will be scheduled only upon written request. Failure to timely request a hearing will result in a waiver of Operator's right to a hearing.

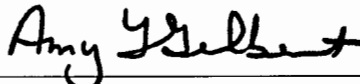

F. If a party requests a hearing, a corporation or similar entity shall not be permitted to enter an appearance except by its attorney. Attorneys for all parties shall enter their appearances in Commission proceedings by giving their names and addresses for the record.

G. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further order or orders as it may deem necessary.

BY THE COMMISSION IT IS SO ORDERED.
