In the Matter of the Application of Grain Belt )

Construction of Two 345 kV Transmission Lines ) Docket No. 24-GBEE-790-STG  
and Associated Facilities through Gray, Meade, )

**PETITION TO INTERVENE AND REQUEST FOR EXPEDITED ORDER**

COMES NOW Sunflower Electric Power Corporation (“Sunflower”), and pursuant to K.S.A. 77-521 and K.A.R. 82-1-225, moves the Commission to issue an Order allowing Sunflower to intervene in this proceeding. In support of its Petition to Intervene Sunflower states:

1. Sunflower is a generation and transmission electric utility operating in the state of Kansas on a non-profit cooperative basis, with its principal place of business located in Hays, Kansas. Sunflower is a certificated electric public utility that has elected to exempt itself from the jurisdiction, supervision and control of the Commission pursuant to K.S.A. 66-104d.<sup>1</sup> Sunflower remains subject to the Commission’s jurisdiction for those items referenced in K.S.A. 66-104d(f).

2. In addition to the undersigned, copies of pleadings, documents, and correspondence in this docket should be sent to:

---

<sup>1</sup> Order Affirming Sunflower Electric Power Corporation’s Electric to Deregulate, Docket No. 10-SEPE-072-DRC (filed September 28, 2009).

Sunflower Electric Power Corporation 301 W. 13th Street P.O. Box 980 Hays, Kansas 67601	James Brungardt Manager, Regulatory Regulations jbrungardt@sunflower.net	Amanda Wray Corporate Paralegal awray@sunflower.net
Al Tamimi SVP & COO – Transmission atamimi@sunflower.net	Clarence Suppes Senior Manager Transmission Engineering cdsuppes@sunflower.net	

3. Pursuant to K.S.A. 77-521(a)(2)-(3) and K.A.R. 82-1-225(2)-(3), the Commission shall grant a petition for intervention if the petition states facts demonstrating that the petitioner’s legal rights, duties, privileges, immunities or other legal interests may be substantially affected by the proceeding, and the interests of justice and the orderly and prompt conduct of the proceedings will not be impaired by allowing the intervention.

4. Sunflower owns transmission lines in the area in which Grain Belt Express, LLC’s (“Grain Belt”) transmission line proposed in this proceeding will traverse. In addition, some of its members may own distribution facilities in the area, which are connected to Sunflower’s transmission lines and ultimately serve Kansas ratepayers. Sunflower’s transmission lines and the load connected to the end of Sunflower’s members’ connected distribution lines may be affected by the ultimate location of Grain Belt’s transmission lines, which will be determined in this docket. The Commission established a procedural schedule on June 11, 2024 in this docket, and Sunflower expects its participation to be subject to that existing procedural schedule.

5. Sunflower’s legal rights, duties, privileges, immunities or other legal interests may be substantially affected by this proceeding, and the interests of justice

and the orderly and prompt conduct of the proceedings will not be impaired by allowing the intervention. For the above reasons, Sunflower requests that the Commission grant its request and allow Sunflower to fully participate in this matter.

6. Grain Belt has requested, and received approval of, an expedited procedural schedule for this docket.<sup>2</sup> Because the existing expedited procedural schedule requires interveners to file testimony by July 3, 2024, Sunflower requests an expedited order on this Petition to Intervene so that it can quickly and fully participate in this docket.

WHEREFORE, Sunflower requests that the Commission issue an Order granting its Petition to Intervene in this matter and for such other and further relief as may be appropriate.

Respectfully submitted,

/s/ Taylor P. Calcara
