Notice of Protest

James V. & Misti A. Wallingford Revocable Trust Dated September 14,2022, 14827 251st
Cambridge KS 67023, Pursuant to K.A.R. 82-3-111, Protest the Application of Thresher
Energy Inc. for and exception to the extend the 10-year time limit for the abandonment
status for the subject well. Girod 1 well, API #15-035-24553-00-00, which is located in the
NW/NW/NW of Section 17, Township 32 South, Range 7 East, Cowley County, Kansas. In
objection the Protestants state:

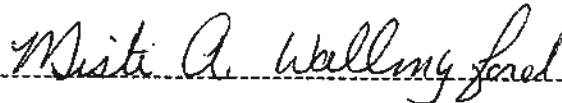

The Protestants are opposing the extension of the 10 year abandonment limitation
and or turning this well in to a disposal well, for the following reasons we are opposing or
objecting.

Abandoned and orphaned wells are a serious problem to the environmental and safety
risks that they pose to humans, infrastructure, and wildlife. Dangers of abandoned wells
are not only contaminating to groundwater, and this well this near two
creeks, and they also can cause air pollution and a variety of other
problems. Along with the extended cost of the county road due to high truck traffic.

WHEREFORE, the Protestant ask that the Kansas Corporation Commission deny the application for Thresher Energy Inc. for the extension to the Abandonment clause, and also order for this well to be properly closed.
