Re: Wamego regulated entities – Notice pursuant to K.S.A. 66-1213a; Docket No. 18-TWVT-155-CPL

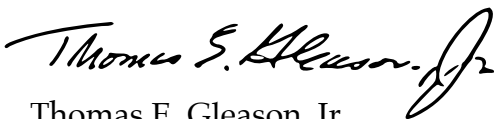

Dear Ms. Retz:

On behalf of our clients Wamego Telephone Company, Inc. Wamego Telecommunications Co., Inc., WTC Communications, Inc., and WTC Technologies, Inc. we wish to provide notice by this letter of an original loan transaction closed June 28, 2022 to which the four client entities are parties. Relevant loan specifications and terms have just become available to the Wamego entities for provision to the Commission. These Kansas telecommunications public utilities and local exchange carriers provide local exchange service pursuant to certificates of convenience and authority issued by the Commission.

The client entities named above have entered into a loan agreement, effective June 28, 2022, and accordingly give notice by this letter of the terms of such agreement. Notice of the amendment is necessitated by K.S.A. 66-1213a;

The four Wamego affiliates noted above submit the accompanying summary of the amendment to loan terms and conditions as highly confidential and proprietary, consisting of confidential commercial information; K.S.A. 66-1220(a) prohibits disclosure to any person other than the carriers, the Commission, and Staff. Disclosure would violate the rights of others not parties to this proceeding and would create an unwarranted competitive disadvantage to our clients. Please direct any questions to the undersigned.

Yours very truly,

Thomas E. Gleason, Jr.
