RE: Lots 3 & 4, S/2 NW/4 Section 3-26S-16W, Edwards County, Kansas  
14-CONS-030-CEXC – Southwestern College #11

Dear Lane:

On Thursday, January 15, 2015, I spoke to Sue Byers, Apollo Energy, concerning the above mentioned well. The intentions of Apollo Energy is to complete the well and see if it is capable of production. If it is not capable of oil production, the well will be plugged.

I would request the Kansas Corporation Commission not grant the T/A on the above mentioned well. Southwestern College prefers the well be plugged.

As more information becomes available, I will be in contact.

If at any time you have any questions or concerns, please do not hesitate to call.

Sincerely,

Thomas G. Schnittker  
Farm Manager
