The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and decision. Having reviewed its files and records, and being duly advised in the premises, the Commission makes the following findings:

II. Suspension Order

or common carrier filed its application requesting the proposed change. If the commission does not suspend the proposed schedule within 30 days of the date the same is filed by the public utility or common carrier, such proposed schedule shall be deemed approved by the commission and shall take effect on the proposed effective date.

The effectiveness of the Application is hereby suspended for a period of 240 days from the date it was filed, September 5, 2023, until Thursday, May 2, 2024, pursuant to K.S.A. 66-117(c). A Commission decision may be issued before such date.
