**ORDER GRANTING INTERVENTION TO KANSAS MUNICIPAL ENERGY AGENCY  
AND ADMISSION OF HEATHER STARNES *PRO HAC VICE***

This matter comes before the State Corporation Commission of the State of Kansas (Commission). Having examined its files and records, and being fully advised in the premises, the Commission finds and concludes as follows:

1.       On May 1, 2019, The Victory Electric Cooperative Association, Inc. (Victory) filed an Application requesting approval to update its Local Access Delivery Service (LADS) tariff.<sup>1</sup>

**I. Intervention**

2.       On May 30, 2019, the Kansas Municipal Energy Agency (KMEA) petitioned to intervene.<sup>2</sup>

3.       KMEA stated that it has member cities who are served by Victory's facilities.<sup>3</sup> KMEA further stated its members and their customers will be bound by any Commission order or activity in this proceeding, and no other party can adequately represent its interests.<sup>4</sup>

<sup>2</sup> KMEA, Petition to Intervene, p. 2 (May 30, 2019).

<sup>3</sup> *Id.*, ¶ 3.

<sup>4</sup> *Id.*, ¶¶ 3-4.

4. The Commission shall grant intervention if the petition: (1) is submitted in writing to the presiding officer, with service on all parties named in the Commission's notice of hearing, at least three business days before the hearing; (2) states facts demonstrating the petitioner's legal rights, duties, privileges, immunities or other legal interests may be substantially affected by the proceeding or that the petitioner qualifies as an intervenor under any provision of law; and (3) the interests of justice and the orderly and prompt conduct of the proceedings will not be impaired by allowing the intervention.<sup>5</sup> The Commission has discretion to grant intervention at any time where intervention is in the interests of justice and will not impair the orderly and prompt conduct of proceedings.<sup>6</sup> At any time during a proceeding, the Commission may impose limitations on an intervenor's participation, which may include limiting an intervenor's participation to designated issues in which the intervenor has a particular interest demonstrated by the petition, limiting intervenor discovery, cross-examination and other procedures, and requiring intervenors to consolidate their participation in the proceedings.<sup>7</sup>

5. KMEA submitted its Petition to Intervene in writing, properly served it in accordance with K.S.A. 77-521(a)(1), and stated facts demonstrating its legal rights and interests may be substantially affected by this proceeding under K.S.A. 77-521(a)(2). The Commission finds that because KMEA has member cities who are served by Victory, its intervention will not impair the interests of justice, nor will its participation impede the orderly and prompt conduct of the proceedings, in accordance with K.S.A. 77-521(a)(3). Thus, the Commission finds that KMEA has met the requirements for invention in K.S.A. 77-521 and K.A.R. 82-1-225, and therefore, should be granted intervention and full participation in all aspects of this docket.
