PENALTY ORDER

The above captioned matter comes before the State Corporation Commission of the State of Kansas. Having examined the files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

I. JURISDICTION

1. K.S.A. 55-152 provides that the Commission has jurisdiction to regulate the construction, operation, and abandonment of any well and the protection of the usable water of this state from any actual or potential pollution from any well.
2. K.S.A. 74-623 provides that the Commission has the exclusive jurisdiction and authority to regulate oil and gas activities.
3. K.S.A. 55-162 and K.S.A. 55-164 provide the Commission with authority to issue a Penalty Order regarding a violation of Chapter 55 of the Kansas Statutes Annotated, or of any rule, regulation, or order of the Commission. A Penalty Order may include a monetary penalty of up to \$10,000; each day of a continuing violation constitutes a separate violation.
4. K.A.R. 82-3-600 provides that a permit is required for the use of any pit. Use of a pit without a permit shall be punishable by a fine of \$500.

II. FINDINGS OF FACT

5. Operator is currently licensed to conduct oil and gas activities in Kansas under K.S.A. 55-155, and operates under license number 3809.

6. Operator is responsible for the care and control of the Cooley #3 ("the subject well"), API #15-065-03107-00-02, located in the Southwest Quarter of Section 7, Township 9 South, Range 21 West, Graham County, Kansas.

7. On July 3, 2013, District #4 Staff inspected the subject well and found an open workover pit, which had a liner that had fallen in, with saltwater in the pit. A search of KCC records indicated a permit had not been obtained. On District #4 Staff's direction, the operator's contractor emptied the pit.

III. CONCLUSIONS OF LAW

8. The Commission finds it has jurisdiction over the Operator and this matter under K.S.A. 55-152 and K.S.A. 74-623.

9. The above findings of fact are sufficient evidence to support that the Operator committed one violation of K.A.R. 82-3-600 because the operator used a workover pit to contain produced fluids without first obtaining a pit permit.

THEREFORE, THE COMMISSION ORDERS:

A. The Operator is hereby assessed a \$500 penalty.

B. The Operator shall file application for and obtain a pit permit, or alternatively close the unpermitted pit, within 30 days of service of this Penalty Order. The pit shall not be used until such time as a permit has been obtained.

C. Pursuant to K.S.A. 55-164, K.S.A. 77-537, and K.S.A. 77-542, any party may request a hearing on the above issues by submitting a written request, setting forth the

specific grounds upon which relief is sought, to the Commission's Executive Director, at 130 S. Market, Room 2078, Wichita, Kansas 67202, within 30 days from the date of service of this Penalty Order. If service is by mail, three days will be added to the Mailed Date listed at the end of this Penalty Order. Hearings will be scheduled only upon written request. **Failure to timely request a hearing will result in a waiver of the Operator's right to a hearing.**

D. Attorneys for all parties shall enter their appearances in Commission proceedings by giving their names and addresses for the record. A corporation or similar entity shall not be permitted to enter an appearance except by its attorney.

E. If you do not request a hearing, the payment of the monetary penalty is due within 30 days from the date of service of this Order. Checks and Money Orders shall be payable to the Kansas Corporation Commission. For credit card payments, include the type of card (Visa, MasterCard, Discover, or American Express), account number and expiration date. Payments shall be mailed to the Kansas Corporation Commission at 130 S. Market, Wichita, Kansas 67202. **The payment shall include a reference to the docket number of this proceeding.**

F. The failure to comply with this Order within 30 days shall be punishable by license suspension without the need for an additional Order to be issued by the Commission. The notice and opportunity for a hearing on this order shall constitute the notice required by K.S.A. 77-512 regarding license suspension. In addition, the Commission may impose further sanctions, including additional monetary penalties and any other remedies available to the Commission by law, without further notice.

G. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further order or orders as it may deem necessary.

BY THE COMMISSION IT IS SO ORDERED.
