RE: Invoice # **H000572344**; Challenge Review of Inspection Report # **KSHP03870389**

To Mr. Petr Kharabora,

This letter is to inform you that your challenge concerning Inspection Report # **KSHP03870389** has been denied. The inspection will remain on your carrier profile. When inspected, you provided the Inspector the name of VIT R PETE and identified yourself as a licensed used car dealer. Your suggestion to use your dealer tag as a form of Carrier identification supports that this was a commercial operation. No mention of the cars being for your family was made during this inspection. Therefore, an interstate movement utilizing a CMV to transport vehicles for resell by your business is subject to this roadside inspection. The violations discovered at the time of inspection will remain unchanged.

Invoice # **H000572344** remains valid and provides information for payment of the fines due. If you are dissatisfied with this outcome, please be advised that you have the right to an administrative hearing with the Kansas Corporation Commission.

Your request for hearing must be made in writing, setting forth the specific grounds upon which relief is sought. Hearing requests shall be sent to the Kansas Highway Patrol at the address listed above and must be received within fifteen days from the date of this letter.

Thank you for your time and attention to this inspection report.

Sincerely,

CHRISTOPHER J. TURNER, Captain
Troop I, Topeka
