REQUEST TO WITHDRAW APPLICATION

Cable One VoIP LLC (the “Company”) respectfully requests to withdraw its pending Application for Designation as an Eligible Telecommunications Carrier to Receive Federal and State Lifeline Support (“Application”). In support of this request, the Company states:

1. The Application was filed with the Kansas Corporation Commission (the “Commission”) on June 29, 2021 in the above-referenced docket. In the Application, the Company sought eligible telecommunications carrier (“ETC”) designation to provide Lifeline-only services in certain geographic areas of Kansas.

2. The Company no longer seeks ETC designation at this time. The Company currently is focused on providing service pursuant to the Emergency Broadband Benefit (“EBB”) Program administered by the Federal Communications Commission (“FCC”). The Company may seek ETC status at a later date depending on the outcome of the potential future funding to replace the temporary EBB Program and the anticipated broadband funding under the federal *Infrastructure Investment and Jobs Act* (H.R. 3684) currently pending before the United States Congress.

3. Accordingly, the Company respectfully requests that its Application be withdrawn and this proceeding be closed. In the event the Company seeks to pursue ETC designation in Kansas in the future, it will file a new application under a new docket number.

Dated: September 17, 2021

Respectfully submitted,

CABLE ONE VOIP LLC
