ORDER GRANTING CURB'S PETITION TO INTERVENE

This matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and decision. Having reviewed the pleadings and record, the Commission makes the following findings:

1. On December 9, 2013, Kansas City Power & Light Company (KCP&L) filed its Application for an abbreviated rate case to include costs associated with construction of environmental upgrades at the La Cygne Generating Station in its rates, update its costs to reflect the completion of certain components of the La Cygne Environmental Project and construction work in progress, and incorporate updates to certain regulatory amortizations into KCP&L's rates.¹

2. On December 11, 2013, the Citizens' Utility Ratepayer Board (CURB) filed its Petition to Intervene citing its statutory authority to represent residential and small commercial ratepayers. CURB explains the rates paid by and the services received by residential and small commercial customers may be substantially affected by this proceeding.² Accordingly, the Commission finds CURB has demonstrated an interest in this proceeding. Therefore, pursuant to K.S.A. 77-521, the Commission grants CURB's Petition for Intervention.

¹ Application, Dec. 9, 2013, ¶ 3.

² Petition to Intervene, Dec. 11, 2013, ¶ 5.
