**MOTION TO SUSPEND INTRASTATE MOTOR CARRIER OPERATIONS**

The Staff of the State Corporation Commission of the State of Kansas (Staff), by and through its counsel, files its motion requesting the Commission suspend Quality Septic & Sewer, Inc. of Overland Park, Kansas (Respondent) from all intrastate commercial motor carrier operations. In support of its Motion, Staff states as follows:

1. Respondent is a motor carrier as defined in K.S.A. 2015 Supp. 66-1,108, that operates commercial motor vehicle(s) in intrastate commerce.
2. Respondent is registered as a motor carrier with the U.S. Department of Transportation (USDOT) and operates under USDOT number 991956.
3. On November 3, 2016, the Commission issued Respondent a penalty assessment of \$3,250 for violations of the Kansas Motor Carrier Safety Statutes, Rules and Regulations discovered during a compliance review conducted on October 20, 2016, by Kansas Corporation Commission Special Investigators Wade Patterson and Jared Smith.
4. As of December 21, 2016, Commission records indicate Respondent has not complied with requirements of the Penalty Order in that Respondent had thirty (30) days from service to pay the fine amount of \$3,250, and Transportation Division records indicate the fine is

unpaid. Further, Respondent was mailed a letter dated December 9, 2016, to its mailing address, notifying it of the unpaid fine and lack of compliance with the above-referenced Penalty Order, giving Respondent ten (10) days from the date of the collection letter to pay the penalty amount.

5. Staff asks that the Commission find Respondent received sufficient notice of the Penalty Order, and requisite opportunity to pay the penalty assessment.

6. Staff asks that the Commission find Respondent failed to act upon the Commission's Order.

7. Staff asks the Commission find that Respondent's failure to comply with the requirements of the Penalty Order poses a potential immediate threat to the safety and welfare of the public of the state of Kansas.

8. Based on the presented facts, Staff requests the Commission issue an order suspending Respondent's intrastate motor carrier operations until such time as Respondent pays the penalty amount of \$3,250, and brings its motor carrier operation into compliance with motor carrier safety statutes, rules and regulations, at which time Staff will recommend the Commission enter an order of reinstatement of intrastate motor carrier operations.

9. Furthermore, Staff requests the Commission order Respondent to attend a Commission-sponsored safety seminar within the next ninety (90) days, and to provide Staff with written proof of attendance.

**WHEREFORE**, for the reasons stated above, Staff respectfully requests that the Commission issue an order suspending Respondent's intrastate motor carrier operations and ordering Respondent to attend a Commission-sponsored safety seminar within the next ninety (90) days, and to provide Staff with written proof of attendance.

Respectfully submitted,

---
