ORDER RESCINDING PENALTY

Upon its own motion, the Commission finds and concludes as follows:

I. FINDINGS OF FACT

1. On January 27, 2015, the Commission issued a Penalty Order in this docket, requiring Operator to pay \$100 and submit a Well Plugging Report for the Michaelis #1 ("the subject well").
2. Staff reports that a field inspection has shown that the subject well is not actually plugged, and that its penalty recommendation was therefore the result of a records error. Commission records have been corrected. Staff notes that Operator did not contact Staff regarding the Notice of Violation letter sent prior to the issuance of the Penalty Order in this docket, but recommends that the Penalty Order should be rescinded.

II. CONCLUSIONS OF LAW

3. Based upon the above, the Commission concludes that the January 27, 2015, Penalty Order in this docket should be rescinded.

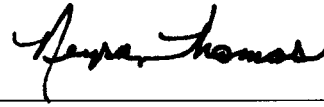

THEREFORE, THE COMMISSION ORDERS:

- A. The Penalty Order issued in this docket is rescinded.
