The above-captioned matter comes before the State Corporation Commission of the State of Kansas (the “Commission”) for consideration and decision. Having reviewed its files and records, and being duly advised in the premises, the Commission makes the following findings:

I. Background

1. On July 1, 2024, the Sunflower Electric Power Corporation (“Sunflower”) and Prairie Land Electric Cooperative, Inc. (“Prairie Land”) submitted a joint application for approval of the Firm Energy, Capacity, and Load Flowing Agreement by and between Sunflower, Prairie Land, and the City of Herndon.¹

II. Suspension Order

2. K.S.A. 66-117(c) states in part:

The commission shall not delay the effective date of the proposed change in rate, joint rate, toll, charge or classification or schedule of charges, or in any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier, more than 240 days beyond the date the public utility or common carrier filed its application requesting the proposed change. If the commission does not suspend the proposed schedule within 30 days of the date the same is filed by the public utility or common carrier, such proposed schedule shall be deemed approved by the commission and shall take effect on the proposed effective date.

¹ Application for Sunflower Electric Power Corporation (July 1, 2024).

3. A full investigation of the Application is deemed necessary and proper. Absent suspension, the Commission and its Staff are without sufficient time to fully review, consider, and analyze whether approval of the Application will result in just and reasonable rates.

The Commission finds and concludes that suspension of the effectiveness of the Application and deferral of its effective date are required to allow sufficient time for full investigation of this matter. The effectiveness of the Application is hereby suspended for a period of 240 days from the date it was filed, July 1, 2024, until Wednesday, February 26, 2025, pursuant to K.S.A. 66-117(c). A Commission decision may be issued before such date.

THEREFORE, THE COMMISSION ORDERS:

A. Pursuant to K.S.A. 66-117(c), the Application in the above-captioned docket shall be suspended, and the effective date deferred, until February 26, 2025.
