**NOTICE OF VIOLATION**

**Re: Waste Transfer Form(s) - ("CDP-5")**

Operator:

Commission records indicate that for the well(s) on the attached list, you filed an Application for Surface Pit (CDP-1) form for each well along with your Intent to Drill. The CDP-1 indicated that fluids would be transferred from a drilling pit, or Commission Staff required that fluids be transferred from a drilling pit.

**We have not received the necessary Waste Transfer Form(s).**

Commission records indicate that the well(s) were spudded more than 13 months ago.  
Under K.A.R. 82-3-602, drilling pits must be closed within 12 months after the spud date of the well.  
Further, an operator must submit a CDP-5 within 1 month after transferring waste.

Since no CDP-5 is on file for the well(s), you are in violation of K.A.R. 82-3-608.

**Failure to submit a complete, accurate CDP-5  
for the pit(s) associated with the well(s) on the attached list  
by SEPTEMBER 19, 2019  
shall be punishable by a \$250 per-well administrative penalty.**

The information requested above must be submitted on KOLAR. If a CDP-5 is returned to you as incomplete, you do not have additional time - the deadline above governs.

Please contact me at (316) 337-6200 if you have any questions.

Sincerely,

KATHY HAYNES
