RECEIVED

Gentlemen:

I strongly oppose the approval of injection permit application D-22.171, dated 05/15/2014, submitted by Hawkins Oil LLC.

As you are well aware, this injection would create a high probability of contaminating the water supply of my home dwelling at 9626 SW River Valley Rd. As is the case with most local residents, our home constitutes a significant personal investment. A decline in property value would pose a tremendous financial burden on me and my family.

For these reasons, I ask you deny approval of application D-22.171.

Sincerely yours,

Gerald Graham, Ph.D.
