Re: Docket No. 11-CONS-252-CSHO

LEGAL SECTION

Dear Mr. Mc Cannon and Mr. Hoffman:

The above captioned docket is scheduled for July 21, 2011 with pre-filed testimony due by July 11, 2011.

My attorney is out of the state getting cancer treatments and I am having to obtain a new attorney.

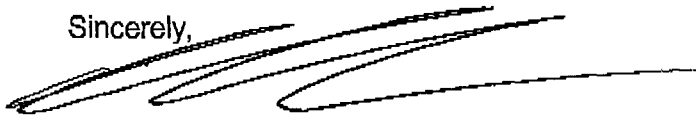

I am therefore requesting a 60 day extension for the pre-filed testimony and docket date to allow me to secure the new attorney and finalize documents needed for the hearing.

Please sign and confirm at the bottom receipt of this letter and fax this request back to our office.

If you have any questions, please feel free to give me a call.

Thank you in advance for your assistance in this matter.

Sincerely,

Mark Haas – Haas Petroleum, LLC
