Dear Mr. Myers,

We are writing you in protest of a letter received from The Corporation Commission of the State of Kansas concerning the request from Eastern Kansas Operating, LLC to perform vacuum operation of one well on its Fischer Lease located in section 21, Township 16 South, Range 25 East, Miami County, Ks.

Listed below are the concerns about the application sent to us and adjoining properties.

1. Our individual correlative rights.
2. Concern of proper process and procedure of disposing of waste water.
3. Poor and concealed Certificate of Service, listing the wrong Exhibits and possibly excluding other property owners.
4. The provided map in Exhibit B does not follow the State of Kansas Guidelines and does not provide any viable information as to where the wells will be located.
5. Current and future noise levels generated from existing/future wells and equipment due to their proximity.

Thank you for your prompt attention in reviewing this matter.

cc: Eastern Kansas Operating, LLC

Sincerely,
