

**THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS**

Before Commissioners: Andrew J. French, Chairperson
Dwight D. Keen
Annie Kuether

In the Matter of the Application of Southern Pioneer Electric Company for Limited Waiver of Provisions of its Rules and Regulations and for Expedited Relief.) Docket No. 25-SPEE-307-MIS

SUSPENSION ORDER: OCTOBER 1, 2025

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and decision. Having reviewed its files and records, and being duly advised in the premises, the Commission makes the following findings:

I. Background

1. On February 3, 2025, Southern Pioneer Electric Company filed with the Commission an application requesting for a limited waiver of certain provisions of its Rules and Regulations tariff, allowing Southern Pioneer Electric Company to disallow the option to pay by credit card for customers of the sub-transmission and transmission service customer class, and requesting that the Commission act on an expedited schedule and order said relief no later than 60 days from filing of this Application. (Application).¹

II. Suspension Order

2. K.S.A. 66-117(c) states in part:

The commission shall not delay the effective date of the proposed change in rate, joint rate, toll, charge or classification or schedule of charges, or in any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier, more than 240 days beyond the date the public utility or common carrier filed its application requesting the proposed change. If the

commission does not suspend the proposed schedule within 30 days of the date the same is filed by the public utility or common carrier, such proposed schedule shall be deemed approved by the commission and shall take effect on the proposed effective date.

3. A full investigation of the Application, which may result in a hearing, is deemed necessary and proper. Absent suspension, the Commission and its Staff are without sufficient time to fully review, consider, and analyze whether approval of the Application will result in just and reasonable rates.

4. The Commission finds and concludes that suspension of the effectiveness of the Application and deferral of its effective date are required to allow sufficient time for full investigation of this matter. The effectiveness of the Application is hereby suspended for a period of 240 days from the date it was filed, February 3, 2025, until Wednesday, October 1, 2025, pursuant to K.S.A. 66-117(c). A Commission decision may be issued before such date.

THEREFORE, THE COMMISSION ORDERS:

A. Pursuant to K.S.A. 66-117(c), the Application and the proposed schedule in the above-captioned docket shall be suspended, and the effective date deferred, until October 1, 2025, pending other action by the Commission.

B. Electronic service shall be utilized for serving pleadings/motions and orders.

C. Any party may file and serve a petition for reconsideration pursuant to the requirements and time limits established by K.S.A. 77-529(a)(1).²

² K.S.A. 66-118b; K.S.A. 77-503(c); K.S.A. 77-531(b).

BY THE COMMISSION IT IS SO ORDERED.
