MOTION TO CLOSE DOCKET

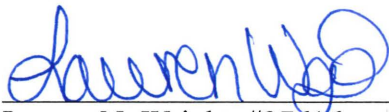

The Staff of the State Corporation Commission of the State of Kansas (“Staff” and “Commission,” respectively) files this *Motion to Close Docket*. In support of its Motion, Staff states as follows:

1. On January 30, 2018, H & C Operating, Inc. (“Operator”) submitted an application seeking injection authority at the subject well.
2. On February 20, 2018, the Commission received a protest to the application from Curtis Brungardt, North Fork Farms, LLC (“Protestant”), and on March 07, 2018, Staff received a request for hearing from Protestant.
3. On April 26, 2018, the Commission issued an Order Designating Prehearing Officer and Setting Prehearing Conference in this matter for May 15, 2018.
4. On April 26, 2018, Staff received a request from Protestant to withdraw their protest, which is attached to this motion.
5. As the protest in this matter has been withdrawn, this docket is no longer contested. Since the Commission has authorized the Conservation Division to take all actions with regard to injection wells without a Commission order in uncontested matters, Staff moves

the Commission to close this docket, authorizing Staff to process Operator's application administratively.¹

WHEREFORE, for the reasons described above, Staff respectfully moves the Commission to close the docket so that Staff may process the application as appropriate.

Respectfully submitted,

Rene,

We have successfully come to terms with Charlie Ramsay at H&C Oil Operating, Inc. that are agreeable to both parties regarding the above referenced Permit and the Pooling Agreement.

With that being stated, we would like to withdraw our Protest to the above referenced application and associated Pooling Agreement. Can you advise us on the process you would like us to follow to formally withdraw our Protest.

Thanks,

Curtis Brungardt
