To whom it may concern. My name is Joe Brake.

Operator # 31074. I received a letter for a motor to default. I am filing a motion to vacate. The grounds are that I did not receive a notice for a pre conference hearing. I was deprived of my right to a hearing. I have called & e-mailed KCC offices & persons. Called Jon Myers twice on Jan 8th, left voicemail, e-mailed public affairs - KCC, j myers & in charges of the KCC. Have not talked to any of those people. My \$1900.00 for a license has been redeemed, yet I have not received a license. Default order must be vacated.
