

THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS

Before Commissioners: Dwight D. Keen, Chair
Susan K. Duffy
Andrew J. French

In the Matter of the Application of i-wireless, LLC)
for Designation as an Eligible Telecommunications) Docket No. 12-IWRZ-848-ETC
Carrier in the State of Kansas.)

**REVISED ORDER GRANTING ELIGIBLE TELECOMMUNICATIONS
CARRIER STATUS**

This matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and determination. Having examined its files and records, the Commission finds:

1. On May 29, 2012, i-wireless, LLC (i-wireless) filed an Application requesting designation as an Eligible Telecommunications Carrier (ETC) for federal low-income Lifeline-only support purposes in the State of Kansas. i-wireless sought designation to provide Lifeline service to qualifying consumers in specific Southwestern Bell Telephone Company d/b/a AT&T Kansas (AT&T Kansas) wire centers and specific Rural Local Exchange Carrier (RLEC) exchanges specifically identified below. i-wireless also requested redefinition of the service areas to the exchange level for several RLECs, also identified below.

2. On August 29, 2012, the Commission Staff (Staff) submitted its Report and Recommendation (R&R) dated August 22, 2012, recommending approval of i-wireless' Application. On September 6, 2012, the Commission issued an Order Granting Eligible Telecommunications Carrier Status to i-wireless (2012 Order). The 2012 Order adopted Staff's R&R, and found i-wireless' Application reasonable, in the public interest, and should be granted. The Commission designated i-wireless as an ETC for Federal Universal Service Fund (FUSF) low-

income Lifeline-only support purposes in the exchanges identified below. The Commission also found that i-wireless' request for redefinition of the service areas to the exchange level for RLECs Cunningham, LaHarpe, Mo-Kan, Moundridge, Peoples, Rainbow, S&A, Wamego, and Zenda should be approved, however, FCC approval was required prior to receiving FUSF low-income support for such areas.

3. On August 3, 2015, Cunningham, LaHarpe, Moundridge, Wamego, and Zenda filed a Petition for Judicial Review, challenging the 2012 Order. Following a lengthy appeal, i-wireless and the Commission agreed to have this issue remanded to the Commission to amend the 2012 Order to delete references to Cunningham, LaHarpe, Moundridge, Wamego, and Zenda from both the last sentence of Paragraph 7 and from Ordering Clause B.¹

4. Staff's August 29, 2012 R&R recommended approval of i-wireless' request for designation as an ETC for FUSF low-income Lifeline-only purposes in the following exchanges:

(a) Specific AT&T Kansas exchanges, including the Kansas City, Topeka, and Wichita areas; and

(b) Specific exchanges served by Blue Valley Tele-communications (Blue Valley), Sunflower/Bluestem Telephone Company (Bluestem/Sunflower), Craw-Kan Telephone Cooperative (Craw-Kan), Cunningham Telephone Co. (Cunningham), Golden Belt Telephone Association (Golden Belt), Haviland Telephone Company (Haviland), Home Telephone Company (Home), J.B.N. Telephone Company (J.B.N.), KanOkla Telephone Association (KanOkla), LaHarpe Telephone Company (LaHarpe), Madison Telephone (Madison), MoKan Dial (Mo-Kan), Moundridge Telephone Company (Moundridge), Peoples Telecommunications (Peoples), Rainbow Telecommunications Association (Rainbow), S&A Telephone Company (S&A), Southern Kansas Telephone (Southern Kansas), Totah Communications (Totah), Tri-County Telephone Association (Tri-County), Twin Valley Telephone (Twin Valley), United Telephone Companies of

¹ The last sentence in paragraph 7 of the 2012 Order reads, "The Commission also finds that i-wireless' request for redefinition of the service areas to the exchange level for LECs Cunningham, LaHarpe, Mo-Kan, Moundridge, Peoples, Rainbow, S&A, Wamego, and Zenda should be approved, however, FCC approval is required prior to receiving FUSF low-income support for such areas." Ordering Clause B in the 2012 Order reads, "i-wireless' request for redefinition of the service areas to the exchange level for LECs Cunningham, LaHarpe, Mo-Kan, Moundridge, Peoples, Rainbow, S&A, Wamego, and Zenda is hereby approved. Additionally, i-wireless will need to seek and receive concurrence from the FCC prior to receiving FUSF low-income support for such areas."

Kansas d/b/a CenturyLink (CenturyLink), Wamego Telecommunication Company (Wamego), Wheat State Telephone (Wheat State) Wilson Telephone Company (Wilson), and Zenda Telephone Company (Zenda).

Staff further recommended approval of i-wireless' request for redefinition of the service areas to the exchange level for the following RLECs: Cunningham, LaHarpe, Mo-Kan, Moundridge, Peoples, Rainbow, S&A, Wamego, and Zenda for ETC designation for the purpose of FUSF low-income support. Staff noted that upon Commission approval of i-wireless' request for redefinition of the foregoing rural service areas to the exchange level, i-wireless needs to seek and receive concurrence from the FCC prior to receiving any FUSF low-income support for such areas. Staff added that i-wireless should be advised that:

- (i). support received must be used for its intended purpose each year and the company must comply with other certification requirements developed by the Commission in Docket No. 05-GIMT-112-GIT and in any future proceedings.
- (ii). any future decisions made by the Commission resulting from the October 2, 2006 Order, issued in Docket No. 06-GIMT-446-GIT, and any future decisions made by the Commission regarding additional ETC requirements, may impact the company and i-wireless may be required to follow these requirements in order to continue receiving support.

5. On April 15, 2013, the FCC issued an Order forbearing redefinition of a rural carrier's service area for FUSF low-income Lifeline program purposes. However, as agreed to at the District Court of Marion County, the Commission revises its 2012 Order to:

(a) reaffirm i-wireless' ETC designation for FUSF low-income Lifeline-Only support purposes in the following exchanges:

- Specific AT&T Kansas exchanges, including the Kansas City, Topeka, and Wichita areas; and
- Specific exchanges served by Blue Valley, Bluestem/Sunflower, Craw-Kan. Cunningham, Golden Belt, Haviland, Home, J.B.N.,

KanOkla, LaHarpe, Madison, MoKan, Moundridge, Peoples,
Rainbow, S&A, Southern Kansas, Totah, Tri-County, Twin Valley,
CenturyLink, Wamego, Wheat State, Wilson and Zenda;²

(b) prospectively modify redefinition from the exchange to the study area level for RLECs Cunningham, LaHarpe, Moundridge, Wamego, and Zenda; and

(c) affirm approval of i-wireless' request for redefinition of the service areas to the exchange level for RLECs Mo-Kan, Peoples, Rainbow, and S&A.

THEREFORE THE COMMISSION ORDERS:

A. i-wireless, LLC's Application filed May 29, 2012 was granted and i-wireless is designated an ETC for federal low-income Lifeline-only support purposes in the study areas and specific exchanges identified in paragraph 5 above. i-wireless is further advised that its operations and service in the future may be affected by conditions (i) and (ii) of paragraph 4 above.

B. i-wireless' ETC designation remains approved at the exchange level. Prospectively, the service area for RLECs Cunningham, LaHarpe, Moundridge, Wamego, and Zenda is defined to the study area level.

C. This Docket is closed.

BY THE COMMISSION IT IS SO ORDERED.
