MOTION FOR CONTINUANCE

Staff requests that the evidentiary hearing in this docket, currently scheduled for January 21, 2016, be continued to March 17, 2016, and requests that the deadline for submission of pre-filed rebuttal testimony be adjusted accordingly. Staff believes the Commission's anticipated rulings in dockets heard a few weeks ago may help resolve this matter short of an evidentiary hearing. Staff has conferred with Operator, who is not opposed to a continuance.

Respectfully submitted,
