ORDER AMENDING PENALTY ORDER

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration. Having examined its files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

BACKGROUND

1. On April 4, 2017, this Commission issued a Penalty Order to David Roach, d/b/a WGC Trucking (hereinafter WGC Trucking), assessing it a civil penalty of \$950, in accordance with the FY 2017 Uniform Penalty Assessment Matrix. The penalty(s) was for two (2) violation(s) of Kansas law that governs motor carriers, including various provisions of the Federal Motor Carrier Safety Regulations (FMCSRs), as adopted by the Kansas Administrative Regulations.

2. WGC Trucking was advised in the Penalty Order that it was a New Entrant motor carrier being reviewed for the first time, and was eligible for a reduced penalty of fifty-percent (50%) less than what is assessed motor carriers in accordance with the FY 2017 Uniform Penalty

Assessment Matrix, as long as it complies with the terms and obligations described in the Notice of Penalty Assessment, the Reduced Penalty Agreement and as set out below.

3. On May 9, 2017, Staff filed a Motion to Amend Penalty Order, recommending the Commission assess WGC Trucking a fifty-percent (50%) reduced penalty of \$475, and set out specific terms and obligations for WGC Trucking's compliance.

4. Staff states that on April 19, 2017, WGC Trucking submitted the signed Reduced Penalty Agreement. The carrier submitted a Corrective Action Plan, which has been approved by Transportation Staff. A copy of the Reduced Penalty Agreement was attached to Staff's Motion.

FINDINGS OF FACT

5. The Penalty Order issued on April 4, 2017, assessed WGC Trucking a civil penalty(s) of \$950 for two (2) violation(s) of the motor carrier safety statutes, rules and regulations.

6. Staff recommended in its Motion that due to WGC Trucking's agreement to comply with the terms and obligations for a fifty-percent (50%) reduction in the penalty assessed and approval of its CAP, an Amended Penalty Order be issued by the Commission assessing it a reduced penalty of \$475, and setting out the terms and obligations as stated in its motion.

7. K.S.A. 66-1,142c authorizes the Commission to determine the amount of civil penalty and states in pertinent part:

"Any civil penalty may be compromised by the state corporation commission. In determining the amount of the penalty or the amount agreed in compromise, the appropriateness of the penalty to the size of the business, the gravity of the violation and the good faith of the person charged in attempting to achieve compliance, shall be considered."
(emphasis added)

IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:

(A) The civil penalty of \$950 assessed to David Roach, d/b/a WGC Trucking in the Penalty Order dated April 4, 2017, is hereby amended to \$475, which is fifty-percent (50%) less than what is assessed to motor carriers pursuant to the FY 2017 Uniform Penalty Assessment Matrix.

(B) This Amended Penalty Order was mailed on May 18, 2017, via certified mail, return receipt requested, Certified Receipt No. 70161970000105740785. Service is complete upon the date the carrier signs the Domestic Return Receipt. Payment of the reduced amount is due within thirty (30) days from the date of service of this Amended Penalty Order. If you have not received a letter from the Transportation Division assigning you a PIN, please contact that Division at 785-271-3145. You must have an account through KTRAN to pay the penalty owed.

(C) WGC Trucking is ordered to, within thirty (30) days from the date of the Penalty Order dated April 4, 2017, send an individual responsible for safety compliance to attend a Commission-sponsored safety seminar, and submit proof of attendance to the Transportation Division.

(D) WGC Trucking must submit to a follow-up compliance review within eighteen (18) months from the date of the Penalty Order dated April 4, 2017. Transportation Staff will contact WGC Trucking to schedule the review.

(E) If WGC Trucking fails to pay the reduced fine of \$475 and/or fails to comply with the terms and conditions ordered above, the Commission may order WGC Trucking additional

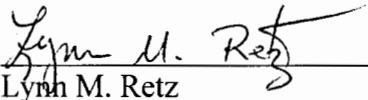

sanctions, including enforcement of an out-of-service order, revoking its authority or any further sanctions as the Commission deems necessary.

(F) The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further orders as it may deem necessary and proper.
