OF THE STATE OF KANSAS**

In the Matter of the Capital Plan Compliance)
Docket for Kansas City Power & Light)
Company and Westar Energy, Inc.) Docket No. 19-KCPE-096-CPL
Pursuant to the Commission's Order)
in Docket No. 18-KCPE-095-MER.)

JOINT MOTION FOR EXTENSION OF TIME

COME NOW Staff of the Kansas Corporation Commission (“Staff”), Citizens’ Utility Ratepayer Board (“CURB”), Kansas City Power & Light Company (“KCP&L”), Westar Energy, Inc. and Kansas Gas and Electric Company (“KG&E”) (collectively referred to herein as “Westar”; and all collectively referred to herein as “Joint Parties”), and submit this Joint Motion for Extension of Time:

1. In the Commission’s Order issued in Docket No. 18-KCPE-095-MER (“18-095 Docket”) on May 24, 2018 (“Merger Order”), the Commission approved the Non-Unanimous Settlement Agreement submitted on March 7, 2018, by certain parties to the 18-095 Docket (“Settlement Agreement”). Paragraph 50(iv) of the Settlement Agreement indicates that Staff, CURB, KCP&L and Westar will initiate a Capital Plan Reporting compliance docket to provide capital plan reports and that the goal of the compliance docket will be to determine the appropriate information and data to report and the format of such reporting.

2. In paragraph 94 of its Merger Order, the Commission required Westar and KCP&L to work with the parties to develop and submit to the Commission a reporting format for an Integrated Resource Plan (“IRP”) process. In its Order Denying Petitions for Reconsideration from the Sierra Club and Kansas Industrial Consumers, paragraph 23, the Commission made it clear that KCP&L, Westar, Staff and CURB should work together to submit the IRP reporting

format and that other parties would have the opportunity to comment on the filing after it is made.

3. On September 4, 2018, the Joint Parties made a filing with the Commission indicating that they had held meetings to discuss what the capital plan report and IRP reporting framework should include and providing a description of the agreed-upon format for that reporting framework to the Commission. The Joint Parties indicated that they would submit a status update filing to the Commission outlining the progress being made within 45 days of this filing, which would be October 19, 2018.

4. Because of the press of other business, including three general rate cases before the Commission, the Joint Parties have not been able to make substantial progress regarding the details of the reporting framework. As a result, the Joint Parties request a 45-day extension in order to make their next status update filing, making such filing due on December 3, 2018.

Respectfully submitted,
