Re: Docket No. 10-SWBT-653-IAT

Dear Ms. Duffy:

Enclosed for filing with the Commission are an original and three (3) copies of an Application for Approval of a Modification to the Interconnection Agreement ("the Agreement") previously approved between Southwestern Bell Telephone Company d/b/a AT&T Kansas and MCC Telephony of the Midwest, LLC ("MCC Telephony") on May 4, 2010 in the above-captioned docket. Also enclosed is the supporting Affidavit of Janet Arnold, Manager-Regulatory Relations.

This modification will add Carrier Identification Code (CIC) language to the existing agreement. The Agreement, with this modification and the attachments incorporated therein, is an integrated package and is the result of negotiation and compromise. There are no outstanding issues between the parties that need the assistance of mediation or arbitration. MCC Telephony is registered as active and in good standing with the Kansas Secretary of State's office.

AT&T Kansas files this modification to the Agreement seeking Commission approval of its terms and conditions consistent with the Federal Telecommunications Act of 1996. AT&T Kansas represents and believes in good faith that the implementation of this modification to the Agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier. AT&T Kansas specifically requests that the Commission refrain from taking any action to change, suspend or otherwise delay implementation of this modification to the agreement, in keeping with the support for competition previously demonstrated by the Commission. Contact information for MCC Telephony is listed below.

Docket No. 10-SWBT-653-IAT

**APPLICATION OF SOUTHWESTERN BELL TELEPHONE COMPANY
FOR APPROVAL OF A MODIFICATION TO INTERCONNECTION AGREEMENT**

Southwestern Bell Telephone Company d/b/a AT&T Kansas hereby files this Application for Approval of a Modification to the Interconnection Agreement ("the Agreement") under the Telecommunications Act of 1996 ("Federal Act") between AT&T Kansas and MCC Telephony of the Midwest, LLC ("MCC Telephony") and would respectfully show the Kansas Corporation Commission ("Commission") the following:

I. INTRODUCTION

AT&T Kansas presents to this Commission a modification to the Agreement previously negotiated, executed and filed with the Commission on April 7, 2010 pursuant to the terms of the Federal Act. The Commission issued an order approving the Agreement on May 4, 2010. This modification will add Carrier Identification Code (CIC) language to the existing agreement. A copy of the executed Amendment which reflects the parties' agreement to incorporate this modification to the Agreement is attached hereto as Attachment I.

II. REQUEST FOR APPROVAL

AT&T Kansas seeks the Commission's approval of this modification to the Agreement, consistent with the provisions of the Federal Act. The implementation of this modification to the Agreement complies fully with Section 252(e) of the Federal Act because the modification is consistent with the Commission's previous conclusion that the Agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier.

AT&T Kansas respectfully requests that the Commission grant expeditious approval of this modification to the Agreement, without change, suspension or other delay in its implementation. The Agreement, with this modification, is a bilateral agreement, reached as a result of negotiations and compromise between competitors, and the parties do not believe a docket or intervention by other parties is necessary or appropriate.

III. STANDARD FOR REVIEW

The statutory standards of review are set forth in Section 252(e) of the Federal Act which provides as follows:

Section 252(e) of the Federal Act:

(e) APPROVAL BY STATE COMMISSION

- (1) APPROVAL REQUIRED.** -- Any interconnection agreement adopted by negotiation or arbitration shall be submitted for approval to the State commission. A State commission to which an agreement is submitted shall approve or reject the agreement, with written findings as to any deficiencies.
- (2) GROUNDS FOR REJECTION.** -- The State Commission may only reject --
 - (A)** an agreement (or any portion thereof) adopted by negotiation under subsection (a) if it finds that --

- (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity . . .

The affidavit of Janet Arnold, Manager-Regulatory Relations, establishes that the modification to the Agreement submitted herein satisfies the standards for approval under the Federal Act. (Affidavit, Attachment II).

IV. KANSAS LAW

The negotiated and executed modification to the Agreement is consistent with the Kansas regulatory statutes.

V. CONCLUSION

For the reasons set forth above, AT&T Kansas respectfully requests that the Commission approve this modification to the Agreement previously approved.
