VERIFIED PETITION TO INTERVENE OF SIERRA CLUB
PURSUANT TO K.S.A. 77-521-AND K.A.R. 82-1-225

The Sierra Club, by undersigned counsel, hereby respectfully moves the Kansas Corporation Commission (K.C.C.) for an order allowing intervention in this docket. In support of this motion, the following is stated:

1. The Sierra Club is an organization that has demonstrated a long-standing interest in regulatory measures to promote efficient use of energy resources.

2. Sierra Club's members include residents/ratepayers of Kansas that have an interest in this investigatory docket. Sierra Club is interested in maximizing the environmental and economic benefits that can be derived from a comprehensive energy efficiency and conservation policy.

3. Sierra Club recognizes the need to fully investigate the costs and benefits of energy efficiency regulatory requirements including real-time pricing. Additionally, it is crucial that the financial consequences for such regulatory requirements be fully vetted in order to assure fair rate treatment related to energy efficiency and conservation.

4. Sierra Club also recognizes the need to develop a comprehensive state energy conservation plan as directed by K.S.A. 74-616(b). Sierra Club's intent in seeking intervention in this docket is to collaborate with the Commission, staff, regulated entities interviews and others that have an interest in establishing a comprehensive conservation plan.

WHEREFORE, Sierra Club, hereby respectfully requests that this Commission issue an order to grant its motion to intervene herein.

Respectfully submitted,

IRIGONEGARAY & ASSOCIATES
