RE: Docket E-32,585
Hughes Oil. Company
Wendell Broers I-1, I-2, I-3, I-4
Sec. 2-16S-20E
Franklin County, Kansas

Dear Mr. Stucky:

Thank you for your letter dated December 13, 2017 in which you query whether or not I feel a hearing should be held regarding Hughes Oil Co.'s application to inject Wendell Broers I-1, I-2, I-3, I-4. Yes, I do think a hearing need be held and I will plan to participate in such hearing. I have cited my reasons for thinking so in my protest letter to the KCC dated December 10th and my e-filing express correspondence dated December 12th. I need state that I have some obligations out-of-state in February and March but I do not perceive these as a sufficient condition for my missing such a hearing.

Thank you, Rene. I hope this letter finds you well and I wish you the very best during these holidays.

Cordially,
