### Legal Description of Leasehold

See Attached

I hereby certify that the statements made herein are true and correct to the best of my knowledge and belief

Applicant or Duly Authorized Agent

Subscribed and sworn before me this 18th day of April 2012

Notary Public

My Commission Expires 8-11-2012

1. Fully complete application, including page 4 (*plat map*) showing subject well and all known oil, gas and input wells, including wells being drilled, inactive wells, or dry holes, within one-half mile. Show lease names and operators or unleased mineral rights owners of all lands within one-half mile. Show well numbers and elevations of producing formation tops.
2. Attach some type of log (*drillers log, electric log, etc.*).
3. Attach some type of verification of cementing for surface casing, longstring, D.V. tool, perforations, etc. (*Cement ticket and job log, bond log, etc.*)
4. Attach Affidavit of Notice.
5. Fill in schematic drawing of subsurface facilities including: size, setting depth, amount of cement, measured or calculated tops of cement for each of surface, intermediate (*if any*) and production casing, size and setting depth of tubing and packer, geological zone of injection showing top and bottom of injection interval.
6. The original and one copy of the application and all attachments shall be mailed to the State Corporation Commission, Conservation Division.
7. Deliver or mail one (1) copy of the application to the landowner on whose land the injection well is located and to each operator or lessee of record and each unleased mineral rights owner within one-half mile of the applicant well.
8. Approval of this application, if granted, is valid only as long as there are no substantial changes in operation set forth in the application. A substantial change requires the approval of a new application. ***No injection well may be used without prior written authorization.***
9. All application fees must accompany the application.

## Public Notice

(First published in The Yates Center NEWS on Thursday, April 19, 2012) 16-ltc

### BEFORE THE STATE CORPORATION COMMISSION OF THE STATE OF KANSAS NOTICE OF FILING APPLICATION

RE: Steven A. Leis - Application for a permit to authorize the enhanced recovery of saltwater into the Hartzler Lease, well #23; located in Woodson County, KS.  
TO: All Oil & Gas Producers, Unleased Mineral Interest Owners, Landowners, and all persons whomever concerned.

You, and each of you, are hereby notified that Steven A. Leis has filed an application to commence the injection of saltwater into the Squirrel formation on the Hartzler Lease, well #23; 420 feet from the South Line, 2100 feet from the East line located in the Southeast quarter of section 28, Township 25 S, Range 15E, Woodson County, KS., with a maximum operating pressure of 500 psig and a maximum injection rate of 50 bbls per day.

Any persons who object to or protest this application shall be required to file their objections or protests with the Conservation Division of the State Corporation Commission of the State of Kansas within fifteen [15] days from the date of the publication. These protests shall be filed pursuant to Commission regulations and must state specific reasons why the grant of the application may cause waste, violate correlative rights, or pollute the natural resources of the State of Kansas.

All persons interested of concerned shall take notice of the foregoing and shall govern themselves accordingly.

BEFORE THE STATE  
CORPORATION  
COMMISSION OF THE  
STATE OF KANSAS  
NOTICE OF FILING  
APPLICATION

RE: Steven A. Leis - Application for a permit to authorize the enhanced recovery of saltwater into the Hartzler Lease, well #29; located in Woodson County, KS.  
TO: All Oil & Gas Producers, Unleased Mineral Interest Owners, Landowners, and all persons whomever concerned.

You, and each of you, are hereby notified that Steven A. Leis has filed an application to commence the injection of saltwater into the Squirrel formation on the Hartzler Lease, well #29; 860 feet from the South Line, 2150 feet from the East line located in the Southeast quarter of section 28, Township 25 S, Range 15E, Woodson County, KS., with a maximum operating pressure of 500 psig and a maximum injection rate of 50 bbls per day.

Any persons who object to or protest this application shall be required to file their objections or protests with the Conservation Division of the State Corporation Commission of the State of Kansas within fifteen [15] days from the date of the publication. These protests shall be filed pursuant to Commission regulations and must state specific reasons why the grant of the application may cause waste, violate correlative rights, or pollute the natural resources of the State of Kansas.

All persons interested of concerned shall take notice of the foregoing and shall govern themselves accordingly.

Steven A. Leis

best of my knowledge and belief

Applicant or Duly Authorized Agent

Subscribed and sworn before me this 18th day of April 2012

Harry H  
Notary Public

My Commission Expires 8-11-2012

1. Fully complete application including page 4 (*plat map*) showing subject well and all known oil, gas and input wells, including wells being drilled, inactive wells, or dry holes, within one-half mile. Show lease names and operators or unleased mineral rights owners of all lands within one-half mile. Show well numbers and elevations of producing formation tops.
2. Attach some type of log (*drillers log, electric log, etc.*).
3. Attach some type of verification of cementing for surface casing, longstring, D.V. tool, perforations, etc. (*Cement ticket and job log, bond log, etc.*)
4. Attach Affidavit of Notice
5. Fill in schematic drawing of subsurface facilities including size, setting depth, amount of cement, measured or calculated tops of cement for each of surface, intermediate (*if any*) and production casing, size and setting depth of tubing and packer, geological zone of injection showing top and bottom of injection interval.
6. The original and one copy of the application and all attachments shall be mailed to the State Corporation Commission, Conservation Division.
7. Deliver or mail one (*1*) copy of the application to the landowner on whose land the injection well is located and to each operator or lessee of record and each unleased mineral rights owner within one-half mile of the applicant well.
8. Approval of this application, if granted, is valid only as long as there are no substantial changes in operation set forth in the application. A substantial change requires the approval of a new application. ***No injection well may be used without prior written authorization.***
9. All application fees must accompany the application.

## Public Notice

(First published in The Yates Center NEWS on Thursday, April 19, 2012) 16-1tc

### BEFORE THE STATE CORPORATION COMMISSION OF THE STATE OF KANSAS NOTICE OF FILING APPLICATION

RE: Steven A. Leis - Application for a permit to authorize the enhanced recovery of saltwater into the Hartzler Lease, well #30; located in Woodson County, KS.  
TO: All Oil & Gas Producers, Unleased Mineral Interest Owners, Landowners, and all persons whomever concerned.

You, and each of you, are hereby notified that Steven A. Leis has filed an application to commence the injection of saltwater into the Squirrel formation on the Hartzler Lease, well #30; 860 feet from the South Line, 1760 feet from the East line located in the Southeast quarter of section 28, Township 25 S, Range 15E, Woodson County, KS., with a maximum operating pressure of 500 psig and a maximum injection rate of 50 bbls per day.

Any persons who object to or protest this application shall be required to file their objections or protests with the Conservation Division of the State Corporation Commission of the State of Kansas within fifteen [15] days from the date of the publication. These protests shall be filed pursuant to Commission regulations and must state specific reasons why the grant of the application may cause waste, violate correlative rights, or pollute the natural resources of the State of Kansas.

All persons interested of concerned shall take notice of the foregoing and shall govern themselves accordingly.

Notary Public

My Commission Expires 8-11-2012

**Instructions:**

1. Fully complete application, including page 4 (*plat map*) showing subject well and all known oil, gas and input wells, including wells being drilled, inactive wells, or dry holes, within one-half mile. Show lease names and operators or unleased mineral rights owners of all lands within one-half mile. Show well numbers and elevations of producing formation tops.
2. Attach some type of log (*drillers log, electric log, etc.*).
3. Attach some type of verification of cementing for surface casing, longstring, D V tool, perforations, etc. (*Cement ticket and job log, bond log, etc.*)
4. Attach Affidavit of Notice.
5. Fill in schematic drawing of subsurface facilities including: size, setting depth, amount of cement, measured or calculated tops of cement for each of surface, intermediate (*if any*) and production casing, size and setting depth of tubing and packer, geological zone of injection showing top and bottom of injection interval.
6. The original and one copy of the application and all attachments shall be mailed to the State Corporation Commission, Conservation Division.
7. Deliver or mail one (1) copy of the application to the landowner on whose land the injection well is located and to each operator or lessee of record and each unleased mineral rights owner within one-half mile of the applicant well.
8. Approval of this application, if granted, is valid only as long as there are no substantial changes in operation set forth in the application. A substantial change requires the approval of a new application. ***No injection well may be used without prior written authorization.***
9. All application fees must accompany the application.

## Public Notice

(First published in The Yates Center NEWS on Thursday, April 19, 2012) 16-1tc

### BEFORE THE STATE CORPORATION COMMISSION OF THE STATE OF KANSAS NOTICE OF FILING APPLICATION

RE: Steven A. Leis - Application for a permit to authorize the enhanced recovery of saltwater into the Hartzler Lease, well #33; located in Woodson County, KS.

TO: All Oil & Gas Producers, Unleased Mineral Interest Owners, Landowners, and all persons whomever concerned.

You, and each of you, are hereby notified that Steven A. Leis has filed an application to commence the injection of saltwater into the Squirrel formation on the Hartzler Lease, well #33; 1320 feet from the South Line, 2540 feet from the East line located in the Southeast quarter of section 28, Township 25 S, Range 15E, Woodson County, KS., with a maximum operating pressure of 500 psig and a maximum injection rate of 50 bbls per day.

Any persons who object to or protest this application shall be required to file their objections or protests with the Conservation Division of the State Corporation Commission of the State of Kansas within fifteen [15] days from the date of the publication. These protests shall be filed pursuant to Commission regulations and must state specific reasons why the grant of the application may cause waste, violate correlative rights, or pollute the natural resources of the State of Kansas.

All persons interested of concerned shall take notice of the foregoing and shall govern themselves accordingly.

**Instructions:**

1. Fully complete application, including page 4 (plat map) showing subject well and all known oil, gas and input wells, including wells being drilled, inactive wells, or dry holes, within one-half mile. Show lease names and operators or unleased mineral rights owners of all lands within one-half mile. Show well numbers and elevations of producing formation tops.
2. Attach some type of log (drillers log, electric log, etc.).
3. Attach some type of verification of cementing for surface casing, longstring, D V tool, perforations, etc. (Cement ticket and job log, bond log, etc.).
4. Attach Affidavit of Notice.
5. Fill in schematic drawing of subsurface facilities including: size, setting depth, amount of cement, measured or calculated tops of cement for each of surface, intermediate (if any) and production casing, size and setting depth of tubing and packer, geological zone of injection showing top and bottom of injection interval.
6. The original and one copy of the application and all attachments shall be mailed to the State Corporation Commission, Conservation Division.
7. Deliver or mail one (1) copy of the application to the landowner on whose land the injection well is located and to each operator or lessee of record and each unleased mineral rights owner within one-half mile of the applicant well.
8. Approval of this application, if granted, is valid only as long as there are no substantial changes in operation set forth in the application. A substantial change requires the approval of a new application. **No injection well may be used without prior written authorization.**
9. All application fees must accompany the application.

### BEFORE THE STATE CORPORATION COMMISSION OF THE STATE OF KANSAS NOTICE OF FILING APPLICATION

RE: Steven A. Leis - Application for a permit to authorize the enhanced recovery of saltwater into the Hartzler Lease, well #34; located in Woodson County, KS.  
TO: All Oil & Gas Producers, Unleased Mineral Interest Owners, Landowners, and all persons whomever concerned.

You, and each of you, are hereby notified that Steven A. Leis has filed an application to commence the injection of saltwater into the Squirrel formation on the Hartzler Lease, well #34; 1320 feet from the South Line, 2100 feet from the East line located in the Southeast quarter of section 28, Township 25 S, Range 15E, Woodson County, KS., with a maximum operating pressure of 500 psig and a maximum injection rate of 50 bbls per day.

Any persons who object to or protest this application shall be required to file their objections or protests with the Conservation Division of the State Corporation Commission of the State of Kansas within fifteen [15] days from the date of the publication. These protests shall be filed pursuant to Commission regulations and must state specific reasons why the grant of the application may cause waste, violate correlative rights, or pollute the natural resources of the State of Kansas.

All persons interested of concerned shall take notice of the foregoing and shall govern themselves accordingly.

Steven A. Leis  
1092 Osage Rd.  
Yates Center, KS 66783
