MOTION TO SUSPEND INTRASTATE MOTOR CARRIER OPERATIONS

The Staff of the State Corporation Commission of the State of Kansas (Staff), by and through its counsel, files its motion requesting the Commission suspend Jackson Transportation LLC of Wichita, Kansas (Carrier) from all intrastate commercial motor carrier operations. In support of its Motion, Staff states as follows:

1. Carrier is a motor carrier as defined in 49 C.F.R. Part 390.5, as adopted by K.A.R. 82-4-3f, that operates commercial motor vehicle(s) in interstate commerce.
2. Carrier is registered as a motor carrier with the U.S. Department of Transportation (USDOT) and operates under USDOT number 3732163.
3. On February 17, 2022, the Commission issued Carrier a Penalty Order that assessed a civil penalty of \$300 for failure to pay the Unified Commercial Registration (UCR) fees for 2021 this docket.¹
4. Carrier was sent a collection letter on April 10, 2022, reminding it of the amount due and giving it 10 days from the date of the collection letter to pay. A copy of the collection letter is attached hereto.

¹See Penalty Order (February 17, 2022).

5. As of September 21, 2022, Commission records indicate that Carrier has not complied with the collection letter or the requirements of the Penalty Order.

6. Staff asks the Commission find that Carrier's failure to comply with the requirements of the Penalty Order poses a potential immediate threat to the safety and welfare of the public of the state of Kansas.

7. Based on the presented facts, Staff requests the Commission issue an order suspending Carrier's intrastate motor carrier operations until such time as Carrier pays the penalty of \$300 as well as its 2021 and 2022 UCR fees, at which time Staff will recommend the Commission enter an order of reinstatement of intrastate motor carrier operations.

WHEREFORE, for the reasons stated above, Staff respectfully requests that the Commission issue an order suspending Carrier's intrastate motor carrier.

Respectfully submitted,

/s/ Ahsan A. Latif
