Dear Sir,

Our reason for protesting the application for Injection well, from Little Chief Energy Corporation, is the injection Well sight is close enough to our property that when injection occurs it could end up in our abandoned wells and on our property. We have approximately five abandoned wells on our property. Parcel numbers are 010-144-17-0-00-00-002.01-0 and 010-143-08-0-00-00-003.00-0.

Thank you,
Rick Lindesmith & Karen Lindesmith
