To: All oil and gas producers, unleased mineral owners, and all concerned persons.

You, and each of you, are hereby notified that Cobalt Energy, LLC will file an application to request an extension to the drilling pit closure deadline for the Horsch A 1-5 in the NE/5 Sec 5-32S-01E, Sumner County, KS.

Any persons who object or protest this application shall be required to file their objections or protests with the Conservation Division of the Kansas Corporation Commission within thirty days of this publication. Any protest shall be filed within pursuant to Commission regulations and must state specific reasons why the grant of the application would be detrimental to natural resources of Kansas.

All concerned persons shall take notice of the foregoing and shall govern themselves accordingly.
