Docket No. 16-GIMM-527-KHP

RE: Invoice #H000561520

Dear Mr. Turner,

I request a hearing before the Kansas Corporation Commission on behalf of Solomon Valley Feeders in regard to the above referenced invoice. The specific reason for the hearing is that the vehicle subject to this invoice was not a commercial vehicle and no CDL was required for its operation, nor is the vehicle subject to the violations cited.

Yours very truly,

Darrell E. Miller
