**Re: Telrite Corporation d/b/a Life Wireless; Docket No. 13-RITC-181-ETC**

Dear Ms. Retz:

The purpose of this letter is to correct the information filed in this matter on December 18, 2020. Due to a miscommunication, the plan information filed on that day was not correct. Please accept this filing in its stead.

Effective December 1, 2020, Telrite Corporation d/b/a Life Wireless ("Company") has increased the amount of data it provides in its wireless Lifeline plan in the State of Kansas as follows:

Qualified new subscribers and existing subscribers will now receive 500 voice minutes, Unlimited Texts, 4.5 GB of data (up from 3 GB) and unlimited MMS (Multimedia Messaging Service – MMS – enables the sending of messages with multimedia content). These plans comply with the Federal Communications Commission's current minimum service standards.<sup>1</sup>

Subscribers can purchase additional airtime via their device, through the Company's customer service and at MoneyGram locations.

Please contact me if you have any questions about these revisions. Thank you very much.

Sincerely yours,

A handwritten signature in blue ink that reads "Susan J. Berlin".
