OF INTERCONNECTION AGREEMENT WITH TRANS NATIONAL**

The above-captioned matter comes on before the State Corporation Commission of the State of Kansas (Commission) for determination. Having examined its files and records, and having been duly advised in the premises, the Commission grants the Application of Southwestern Bell Telephone Company (SWBT) for Approval of an Interconnection Agreement with Trans National Communications International, Inc. (Trans National and Application, respectively).

1. SWBT filed its Application on March 27, 2009.
2. On April 15, 2009, Commission staff (Staff) filed its Memorandum, analyzing the Application. Staff's Memorandum was posted on the Commission's web site that same day to provide interested persons the opportunity to comment on the Application. As of May 6, 2009, no public comments on the Application had been received.
3. Staff advised in its Memorandum that SWBT had reported that the proposed interconnection agreement and its attachments were an integrated package and the result of negotiations and compromise between the parties. SWBT further reported that there were no outstanding interconnection agreement issues requiring the assistance of

mediation or arbitration. SWBT also reported that the interconnection agreement fully complied with Section 252(e) of the Telecommunications Act of 1996 (Act), being consistent with the public interest, convenience and necessity and not discriminatory against any non-party carriers.

4. Staff agreed with SWBT's representations, noted that Trans National was in good standing with the Kansas Secretary of State office and recommended Commission approval of the Application.

5. The Commission has reviewed Staff's Memorandum and finds it thorough and reasonable. The Commission concludes that the Application satisfies Section 252(e) of the Act. The Commission, therefore, grants SWBT's request for approval of the proposed interconnection agreement between SWBT and Trans National.

IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:

A. The Application of Southwestern Bell Telephone Company for Approval of an Interconnection Agreement between it and Trans National Communications International, Inc. is granted.

B. The Commission retains jurisdiction over the parties and the subject matter of this docket for the purpose of issuing additional orders it deems necessary.

BY THE COMMISSION IT IS SO ORDERED.
