RE: - Telecom Management, Inc. dba Pioneer Telephone – Request to Withdraw its Certificate of Convenience

Dear Ms. Retz:

Telecom Management, Inc. dba Pioneer Telephone was approved on June 23, 2004, for a Certificate of Convenience in Docket No 04-TIMC-1129-COC. As of December 31, 2022, Telecom Management, Inc. dba Pioneer Telephone has no telecommunications customers or operations in Kansas and is not offering any services to any Kansas customers. For these reasons, we request that the Commission cancel the registration, as well as any tariffs, on file as soon as possible. A customer notice is not necessary as there are no customers in service.

If you have any questions regarding this filing, or if further action is required, please contact me at (407) 794-3488 or regulatory@csilongwood.com.

Respectfully submitted,

/s/ Mark Lammert
