STAFF'S RESPONSE TO LANDOWNER'S PETITION FOR RECONSIDERATION

LD and Cheryl McCormick's ("Landowners") petition for reconsideration should be denied because they are not a party to these proceedings and should not be allowed to intervene. Commission Staff ("Staff") has expressed its opposition to Landowners' intervention in a concurrent filing; however, if the Commission allows Landowners to intervene, it would make little sense to then deny Landowners' petition for reconsideration.

If the Commission grants reconsideration, then Staff asks that the matter be set for a prehearing conference in anticipation of an evidentiary hearing, and asks that the Commission rule that the terms of the Compliance Agreement shall remain in effect pending the Commission's final order in this docket.

Respectfully submitted,
