Docket No: 20-CONS-3186-CPEN

License No: 33386

Dear Commissioners,

I am writing this to contest the penalty for the late AC01 completion form for the WIL #1, API # 15-051-26964-00-00 located in section 22-T13S-R16W, in Ellis County, Kansas.

I do admit to filing the AC01 late. I had surgery in one eye in October 2019 and for several weeks was unable to see well enough to fill out forms on the computer. I was told that my vision would clear up slowly. It did take longer than I anticipated.

As I am working on this letter, I have made an appointment with my eye doctor because of more eye pain. My eye doctor is having me return for another appointment on February 5, 2020. I am having someone type up the letter so that I can get it sent to you.

If you review the history of my other wells, I have always filed timely on KOLAR. I am the person responsible for filing all the forms on KOLAR for CG Oil, Inc. I hope that you will be understanding of my predicament. I did not mean to be late with the AC01, but due to being unable to see clearly, I was late filing it.

If you need proof of my surgery, I will contact my eye doctor, Dr. Reena Patel, at the Wichita Vision Institute and have her verify my surgery date and follow-up appointments.

Thank you.

Sincerely,

Ronald J. Schmidtberger
