RE: Docket No. 19-CONS-3325-CEXC-Arensman #2

Dear Paula:

This is to let you know that we do not need the Application for the Arensman #2 well pit closure. The Application was sent April 5, 2019. The Arensman #2 well was Closed on April 23, 2019. I had asked my Lawyer to send you a Motion requesting the withdrawal of the Application, He didn't get that done and he is not in his office this week. This letter is to let the KCC know the Arensman #2 Pit closure Application is not needed any longer. The Docket can be closed.

Thank you
Marilyn Davis
