RE: Application for Injection Authority
JTC Oil, Inc.
Blunk 1-1- & 1-11
Sec. 18-17S-21E
Franklin County, Kansas

Dear Mr. Stucky:

Thank you for your letter dated October 30, 2017. I do indeed wish a hearing scheduled regarding the JTC Oil, Inc. application for the Blunk wells. I have cited my reasoning in a letter addressed to the Conservation Division, which letter is dated October 23, 2017 and sent via e-filing Express. I have also hand delivered this same letter to the Offices of JTC Oil, Inc. (I need make note that the published address of JTC Oil, Inc. in the "Legal Notices" section of the Ottawa Herald and which appeared in this newspaper on September 26, 2017 is, in fact, not the address of JTC Oil, Inc. The error is confined to the street number which is printed as 35970 in said Legal Notice. The street address is, in fact, 35790. This error led to some difficulty which I encountered in attempting to hand deliver my letter.) I will participate in such hearing and eagerly look forward to engaging the relevant issues.

Cordially,

Scott Yeargain
