additional monetary penalties and any other remedies available to the Commission by law, without further notice.

F. If any unplugged well(s) remain on Operator's expired license after 60 days from the date of this Order, then:

Re: Unplugged Well(s) on Expired License #32563

Operator:

Unplugged well(s) are on your expired license, **which violates K.A.R. 82-3-120**. Attached is a list of the unplugged well(s). Please do one of the following:

- Renew your license, or obtain a new license and transfer the well(s) to that license,
- Transfer the well(s) to another operator by filing T-1 forms with the Commission, or
- File Well Plugging Application (CP-1) form(s) and plug the well(s).

Your deadline is January 17, 2020.

If you do not correct this violation, I will recommend a Commission Order with a \$500 penalty. The Order would also require you to plug the well(s) within 60 days. Failure to comply with the Order would automatically result in the Commission levying additional penalties against you, directing Staff to plug the wells, and assessing plugging costs to you.

You must immediately shut-in all wells and cease oil and gas operations until compliance is achieved.

For help renewing or obtaining a license, contact Nancy Borst at 316-337-6194.

For help transferring wells, contact Deanna Garrison at 316-337-6209.

For help with CP-1 forms, contact Rick Hestermann at 316-337-6193.

If you have further questions, you may contact me by calling our main number at the top of this letter.

Sincerely,
