by
State Corporation Commission
of Kansas

**ERRATA TO SECTION 18 OF THE APPLICATION OF KANSAS CITY
POWER AND LIGHT COMPANY**

Kansas City Power & Light Company (“KCP&L”) hereby submits this Errata to Section 18 of its Application, filed April 20, 2012 in the above-captioned proceeding. KCP&L inadvertently omitted its Table of Contents Schedule when it presented its revised tariffs under Section 18.

1. On April 20, 2012, KCP&L filed its Application to make certain changes in its charges for electric rates. Pursuant to K.A.R. 82-1-231(c)(4)(R), KCP&L filed “clean” and “red-lined” versions of the tariff sheets affected by the Application but did not include a “clean” and “red-lined” version of the tariff Table of Contents. This Errata includes both the “clean” and red-lined” versions of the Table of Contents Schedule and a revised initial page for Section 18¹ identifying the Table of Content sheets as tariff sheets needing to be changed. These changes are clerical in nature and do not affect the substance of KCP&L’s Application.

2. KCP&L requests the State Corporation Commission of the State of Kansas (“Commission”) substitute the attached Revised initial page of Section 18 of the Application filed on April 20, 2012 and insert the “clean” and “red-lined” versions of the Table of Contents tariff sheets immediately behind such substitution.

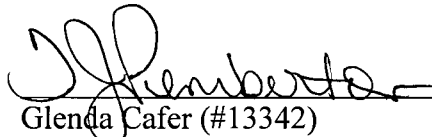

¹ The initial page of Section 18 is entitled “List of Tariffs to Change.”

3. Of note, the revised Table of Contents Schedule is discussed in the Direct Testimony of Company witness Mr. Bradley M. Lutz and is included as a schedule to his testimony. The revised Table of Contents provides better organization of the list of the Company's schedules to allow users easier review.

WHEREFORE, KCP&L provides this Errata filing to its April 20, 2012 Application.

Respectfully submitted,
